President's Message

A little bird told me it's SPRING! All the flowers are showing their beauty in spite of the spring snow and frost, but they have survived!

For our Spring Fling, we had a good turnout and the food was delicious. Our thanks to the Bucks County Tech School teachers and students.

Thanks to all the make-believe horses, our stables are full of hay and money. Our annual horse races are always fun for all.

We are looking forward to our Doo Wop luncheon for Mother's Day.

I want to thank everyone for all their help and support in attending our functions. The success of the Activity Center is in your hands. Have a happy spring and summer!

Theresa Fisher, President

Have we got trips for you!

Thank you for the warm welcome to the Neshaminy Activity Center - such a great place to find friendship and share good times. And, it feels like being part of a large family! I feel right at home. My home is always a busy, bustling place, loud and filled with laughter and extra food for guests (we're Italian - what can I say:). My husband and I have 4 children...and a dog and 3 chickens! Our oldest daughter is married and the rest are happily still at home. We'll be celebrating our 31st wedding anniversary soon!

I'm excited to share my talents with you. I enjoy cooking, baking and party planning, so I'm sure this is a perfect fit for me. I also have many years of experience in kitchen management.

We have many exciting events planned for May and June. Please come out and join us — the more the merrier!

I wish everyone a very Happy Mother's and Father Day! Such a special time to recognize very important people in our lives.

PENNY PARTY FRIDAY, JULY 22ND

"Spring" - Time to clean out the attic, basement and garage. Discover new and gently used items you no longer need or want. These would be perfect donations for our annual Penny Party, and the Center will greatly appreciate receiving them. Thank you.

Robin's Remarks

Spring has sprung!

Please stop in and welcome our new Asst./Nutrition Manager, Paula Heffelfinger. She is sure to be a wonderful and fun addition to our Center. She has culinary experience and many other skills and attributes that are sure to enhance our Programs. Our calendar is filling up with exciting new events. Make sure you stop in the office regularly to keep your calendars updated and filled. Our St. Patrick's Day and Easter celebrations were enjoyed by all who attended - great pictures in the lobby to prove it. Special thanks to Theresa, Lil and Alice for their decorating and help with these luncheons, and to Ronnie Fisher for his many generous gifts. The Bucks County Technical School was here once again. The Sophomores did a terrific job preparing and serving all those who attended. This is a popular event at our Center and we will be scheduling another date in the near future - stay tuned.

This is a good time of year to stop by the Center and see our new Crafter's Corner of handmade items for sale. We have given it a face lift and it is loaded with new goodies.

A NOTE ABOUT OUR COPILOT - Most people are signing in each day and we thank you. However, those who do NOT do this create a lot of follow-up work. If you have difficulty or do not know how to use the Copilot, PLEASE come to the office and ask for help. We will be glad to be of assistance. It is to our advantage that we all cooperate with the county in this endeavor. THANK YOU.
