BOARDING AGREEMENT AND REQUIREMENTS

1. All animals must be current on the following vaccinations and tests:

DOGS: Rabies, Distemper (DHLPP), Bordetella (kennel cough), Fecal Test
CATS: Rabies, Distemper (FVRCP), Fecal Test

2. If this is the first time your pet has boarded with us, there will need to be a New Patient Examination at owner's expense.

- If your pet(s) are not up to date in our files, or records cannot be obtained from another veterinary clinic with current vaccination information we will administer upon arrival for boarding at the owner's expense.

3. All animals must be free of external parasites (fleas, ticks, etc) or they will be treated at the owner's expense.

4. If a tranquilizer is necessary for treatment or handling, the doctor has my permission to administer such medication.

If your pet(s) are dropped off for boarding with a pre-existing illness or injury that is currently causing discomfort to the patient and or a risk to other patients in the clinic, the doctor(s) at Town and Country Veterinary Clinic have permission to treat accordingly at the owner's expense.

In case of illness or injury, I, the undersigned, do hereby give my consent for the doctor(s) of Town and Country Veterinary Clinic to treat, prescribe for, and/or operate on my pet(s) while they are being boarded. I give the doctor(s) and staff of Town and Country Veterinary Clinic permission to use all reasonable precautions against illness, injury, or escape of my pets without holding them liable under any circumstances.

I have read the boarding requirements and understand the hospital's policies.
