

Committee Questionnaire

The committee that nominates people to serve on various committees of Crossroads for the coming year would like to know if you have expertise and interest to serve on one of our committees.

Committee members must be committed, active members of Crossroads and should have some level of awareness and experience in the field of responsibility that each committee addresses. Committee members are typically elected for a 3-year term beginning in January following their election by the church. Committees in need of new members are:

Budget and Finance Committee – responsible for supporting the ministries of the church by preparing and overseeing the annual budget of the church and for establishing policies and procedures that ensure sound management of the finances of the church.

Personnel Committee – responsible for supporting the ministries of the church by establishing and maintaining good personnel policies and procedures and advising the Budget and Finance Committee regarding personnel salaries and benefits.

Building and Grounds Committee – responsible for supporting the ministries of the church by enhancing and maintaining the church's physical property.

Missions and Evangelism Committee – responsible for supporting the mission of the church by leading and encouraging the church to be involved in various mission and evangelistic endeavors. The committee supervises the mission and evangelism portions of the church budget.

Committee on Committees – responsible for nominating church members to fill vacancies on the various committees of the church.

If you would like to be considered for service on one of these committees, please provide the following information:
