**PROTECTION YOU WANT.  
SECURITY YOU TRUST.**

With available resources and response time from local enforcement rapidly decreasing, the need for additional support has become ever more pressing. New bands of crooks have eyes on raw materials, computer technology, and defenseless patrons and employees.

**The investment in protection and security is PRICELESS.**

## ABOUT C&C SECURITY

**Since 1982, C&C Security Patrol, Inc. has established a reputation for excellence as ethical professionals with unparalleled expertise in the security industry.**

We engage with our clients to provide reliable protection and unmatched service. We pay special attention to our extensive guard selection and training processes, ensuring we provide the most qualified and motivated guards to every single client. We attract, develop, and retrain the best guards, ensuring continued growth, fulfilling careers, and personal satisfaction. We have the capital, experience, and desire necessary to provide a detailed and meticulous approach to your security needs.

**Our mission is simple.** We will provide reliable quality security services. We will attract only the best qualified and screened personnel available. As a well-trained, skilled and prepared team, we will provide our clients with specialized proactive service.

## SECURITY SERVICES

- Guard Services
- Patrol Services
- Executive Protection
- CCTV Monitoring
- Security Lobby Reception
- Special Events

## GUARD SELECTION

We seek ex-military and law enforcement professionals. Our selection process results in 3% acceptance. Part of our screening process includes: 10 year background checks, polygraph and psychological testing, and fingerprinting. All guards must have active guard cards.

## GUARD TRAINING

Classroom training includes: Weapons of mass destruction, terrorism awareness, powers of arrest, public relations, courtroom demeanor, workplace violence, liability and legal aspects, first aid and CPR, evacuation procedures, chemical agents, patrol techniques, operation procedures, report writing, incident response, conflict resolution and prevention, observation and description techniques.

## SUPERVISION

Supervision is the key to successful security operations. Our supervisors have at least 10 years experience in the security industry. 24/7 supervision to monitor guard standards, review and update post orders, and review guard reports. Supervisors conduct unannounced inspections, detailed reports, and administer on-site refresher training, and ongoing support to guards.

## THE C&C ADVANTAGE

### APPEARANCE & UNIFORM

Customized between client, industries, and assignments. Whether you require business formal attire for professionalism or military style for patrol services, our high uniform standards ensure the most appropriate attire to maintain your image and uphold standards.

### EMPLOYEE MOTIVATION & RETENTION

We place high value in employee motivation and culture by offering complete benefit packages, continued training, and ongoing support. As a result, we can boast high employee retention and low managerial turnover.

### FLEXIBILITY

Based on your specific needs, requirements, and procedures, we tailor a flexible, month-to-month package, set with detailed, standard and custom post orders to fit your budget. You will enjoy no extra charges for any holidays or overtime.

### PRICE, SERVICE, SUPPORT, & EXPERIENCE

Our expertise in these four areas enables us to commit to your needs and wants without hesitation or limitations.

### GS3000 GUARD TOURING & CHECKPOINT SYSTEM

Discreet installation on the property at designated checkpoints. With access to real time reports, we monitor guard activity with date, time, and ID stamp ensuring facility checkpoints are regularly visited.

### RATES

Our rates are based on the type of service we provide and factors such as: market average, competitor rates, specific requirements, client needs, and length of term.

### GUARD BOOTH IMPLEMENTATION

If required, at no additional cost we provide a guard booth on site to deter predators and provide peace of mind for employees and patrons. A small, safe, and visible structure, acts as a home base for the guard and an extra measure of security to protect your facility.

**We are the first private security company to implement a guard booth program.**
