FINANCIAL POLICY
Please initial each paragraph.

Due to the many changes in insurance policies, it is no longer an easy task to interpret each individual policy. Although we try to stay aware of these changes, it is not always possible. We urge you to check with your insurance company prior to having any procedure. It is your responsibility to know your individual coverage. Failure to comply with this suggestion could result in you being responsible for all costs incurred. Please remember that it is your obligation to provide our office with your current and correct insurance cards, to know your individual coverage and to always provide us with any updated information. Please remember your insurance policy is between you and your insurance company, not between the insurance company and the doctor.

Our office will submit your claim to your insurance company as a courtesy to you. If your insurance company has not paid your account in full within 90 days, the balance will automatically be transferred to you. Please be aware that some of the services provided may be non-covered services and could be your responsibility. All patient balances past due 90 days will be reviewed for collections. All returned checks will be subject to a $25 fee.

Please inform us if you have Master Medical through Blue Cross. We will collect the office visit payment at the time of the visit.

Co-payments for ALL insurance are to be made at the time of service. Our allowable forms of payment are cash, check, MasterCard and Visa. We cannot wave co-pays.

HMO patients must follow your primary care physician’s regulations to obtain your referral. You must bring the appropriate referrals and/or authorizations from your primary care physician. We recommend that you follow up with your primary care office The day before your scheduled appointment to verify that your referral has been processed for your office visit with Dr. Moiin. If our office does not have the appropriate information at the time of service, you will be obligated to pay at that time.

Your follow up appointments are essential to your care. Twenty four hour cancellation notice is required. Otherwise, we reserve the right to charge a $35 fee for missed appointments.

Cosmetic procedures are not covered by any insurance company and payment is expected at the time of service. Cosmetic procedures are not guaranteed to work.

Thank you for understanding our financial policy. Please let us know if you have any questions or concerns. I have read the financial policy. I understand and agree to this financial policy.
