Dear Tim:

This letter of reference will serve as a testament to the masonry installation and restoration projects completed by Whitney Anderson Building Group on the Rhodes College campus. Over the past 10 years, Whitney Anderson Building Group has performed interior and exterior installation of brick, rubble stone and limestone and also miscellaneous tuck pointing and waterproofing including exterior restoration on Palmer Hall, Robb Hall, Kennedy Hall, Voorhies Hall, Burrow Hall and Burrow Refectory. The work was completed per the plans and specifications and always completed in a timely manner and with outstanding workmanship.

We look forward to the next masonry project with Whitney Anderson Building Group.

Sincerely,

Brian E. Foshee
Director of Physical Plant
