SERVICES

LANDSCAPE DESIGN

Shaner Avenue Nursery offers several options for the homeowner that needs help deciding what to plant where. This can be a simple hand-drawn sketch for a small flower bed or an elaborate computer drafted design that includes the entire property. Please call the nursery or email Kristin for a landscape design quote.
kristin@shaneravenuenursery.com

DELIVERY OF PLANT MATERIAL

WITHIN A 15 MILE RADIUS

No Special Equipment Needed \$40.00
Equipment needed to deliver..... \$85.00/hour
from the time we leave the nursery.

ALL ORDERS OUTSIDE OF A 15 MILE RADIUS
\$65.00/hour from the time we leave the nursery.

INDIVIDUAL TREE PLANTING

B & B Trees and Large Potted Trees (20" pot or bigger)

Base Price Per Tree: \$120.00

Small potted tree (Less than 20" pot)

Base Price Per Tree: \$100.00

On orders of three trees or more there will be a twenty percent discount on the total planting charge.

The above prices assume the planting site is easily accessible, ready to plant and there are no unseen barriers to planting. A \$65.00/hour fee will be added to orders that need more attention than simply digging a hole and planting the tree.

Miss Dig must be contacted and area marked prior to planting.

1-800-482-7171 or www.MissDig.org

DIG YOUR OWN

For increased savings on field-grown evergreen trees and shrubs, we permit buyers to dig their own plants. We give a discount of fifty percent off our regular prices on "dig your own" plants. The buyer must provide their own container and digging equipment. Persons digging their own plants are doing so at their own risk. Evergreen trees that are over 3' tall are best dug by tractor. There will be a \$65.00/hour charge if we aid in the digging process with a tractor (appointment needed). Spring and Fall are the best times of the year for transplanting.

There is no guarantee on plants dug by the buyer.

RECYCLE PLASTIC POTS AND SAVE

In an effort to reduce the amount of plastic that is being disposed of in landfills, **Shaner Avenue Nursery** is reusing plastic containers designed for the container-growing of woody plants and perennials. We will take all pots, but credit will only be given for pots that Shaner Avenue Nursery uses.

RAINY DAY DISCOUNT

To encourage our customers to shop on days when weather conditions are less than favorable we are implementing a Rainy Day discount! The discount is on plant material only and may not be applied to delivery, labor or gift certificates.

Receive:

- 10% off total plant purchase for rain.
(It must rain while you are at the nursery.
Getting hit with sprinklers does not count.)
- 15% off total plant purchase for snow.
(There must be falling snow while you are at
the nursery.)
- 50% off total plant purchase if you shop during a
hurricane or earthquake. (Hurricane or
earthquake conditions must exist at the
nursery while you are shopping.)
