Registration for our currently enrolled students, and new enrollment for 3 year old combo classes, begins May 1.

Registration opens to new students on June 4th.

This schedule will continue through the 2018-2019 year. Those enrolled for summer will have automatic placement in the same classes for the fall. Therefore, please understand that this is the schedule for the upcoming year and any class that is full (12-14, based on teachers assessment) will be closed to new enrollment. All those registering for fall only (taking the summer off) will go on a wait list for the classes that are in place during the summer. If there is room, we will place from that wait list. All scheduling subject to change. We look forward to the upcoming year of dance – thank you for choosing Dance Studio 84.

Thank you ☺
