

# Recital 2019 Ticket Order Form ~ Ticket Orders Accepted March 1-30

There are two portions of this ticket order form: The top boxes are for the initial 4 tickets each family may purchase in order to be placed in the front half of the auditorium. The bottom boxes are for as many additional tickets as you'd like, but they will not be next to the original 4 tickets. If you wish to have all of your tickets (more than 4) together, fill out only the bottom boxes. However, we cannot guarantee front half seating for any of the orders from the second set of boxes. This is our policy to ensure that parents will have seats in the front half of the auditorium. **To be included in this first round of ticketing, you must submit this form, with payment, by March 30 no later than 2:00 pm.** To avoid a very busy lobby on the 30<sup>th</sup>, if possible, do not wait until the last minute. Orders are pulled in a lottery order, and filled with the best possible available seats. Then, orders for additional tickets, which you may also order now, will be pulled. Since using this system for ticket orders, we have found that while we still have a date that tickets will go on sale to the public, it has eliminated the camping out in line for tickets and also allows for the parents of our students to sit in the front half of the auditorium. Tickets ordered from this order form (both the 4 initial seats, & any additional) will be distributed the week of April 8<sup>th</sup>. Tickets will be available for purchase at the desk starting April 13 and will also be available at the door the day of the performances. Ticket prices are \$18.00 (front ½ of theatre); \$16.00 (back ½ of theatre); and \$12.00 for children under 12. Families that have students performing in more than one show, only need to pay for tickets to one performance, and tickets to other shows for the same ticket holders will be complimentary. This is not meant to be complicated, but it can be confusing. If you have questions, please ask. Please be certain you are ordering tickets to a show that your performer is in. Accuracy is important so that you get the best seats available to the show you have performers in. There will be no exchanges at the door (day of performances)
