

COMPETITION 2019 INVITE

Once again, we plan to attend Move and Showstoppers and you are invited to join us :) For those of you that are new to competition, we attend these two fun competitions every year. They are huge, crazy (especially Showstoppers), well organized events and we're excited to have you be a part of representing Dance Studio 84. A schedule will be posted on-line (the competition company websites – links below) approx 7-10 days before the event. Until this is posted, we will not know when each dance is scheduled to compete. If you are only in one dance, you can figure on an approximate 4 hour maximum time frame to be at the event (of course, allow plenty of time for traffic, parking, finding us, etc., AND please consider supporting our other dances by being there to cheer us on). If you have more than one dance, there is a chance that you may compete on different days. **YOU MUST BE READY TO PERFORM/COMPETE at the venue 1 HOUR PRIOR TO SCHEDULED TIME.** The teachers use this time to gather the dancers, practice and get them pumped up and everyone needs to be there for this to be the most positive experience it can be. Sometimes they run early and can call your routines to the stage up to one hour early, so you are expected to adhere to this policy. **Plan on arriving at least 2 hours before scheduled time** – it will take the fun out of the experience for you (and the group) with the stress of not being there on time when the group gathers to prepare. **ENTRY FEES ARE DUE as stated below (March 1st and March 10th)** so that we can get our entries submitted early. In the past, some dances have been excluded because the entries close before the hosts deadlines. It seems like they fill up earlier and earlier every year.

If you are not able to take part, tell your instructor immediately. They are planning and confirming which classes will be going to which competitions. Please complete and submit the form below by March 1. All further communication regarding competitions will be done via e-mail (misscarla84@aol.com) so please make sure you include your email address below (if you know I have your most updated email, no need to add it below). Thanks so much – it's going to be a fun season!

** DS84 does not charge any additional fees on top of what these competitions charge. We handle all the organization, submitting the entry fees, and instructors being present (as much as possible) at these events (time, gas, food, lodging, etc.) in appreciation to you, our loyal customer. We request cash or check payments. Credit cards will be accepted, with an additional 3% of total amount added to cover what DS84 is charged for the credit card transaction.*
