

## All American Wallpapering Featured On Houzz.com

Murrieta, CA Feb. 28, 2014 – [All American Wallpapering, Inc.](#), a leading provider of wallpaper services in Southern California, is now featured on [Houzz.com](#), a top website for home remodeling and design.

“We’re thrilled to be a part of Houzz.com’s home improvement pros,” said All American Wallpapering, Inc. President and CEO Greg McAllister. “The site is considered a ‘must-go-to’ by homeowners, businesses and designers alike. Being included on Houzz.com -- which currently features nearly 3 million home design photos – is a win for our company.”

As part of the agreement with Houzz.com signed in early January, All American is featured on the website under professional services with nearly 100 photos showcasing a sampling of the wallpaper company’s residential and commercial work. To view, [click here](#).

For more than 30 years, All American Wallpapering, Inc. has been serving the residential and commercial markets throughout Southern California. Services include wallpaper installation, wallpaper removal, wallpaper repair, wallpaper sales, and painting. The company is licensed, bonded, and carries \$2 million in general liability insurance.
