WEEKDAY EDUCATION

Thank you for taking interest in Tate Springs Christian Preschool, a ministry of Tate Springs Baptist Church. At Tate Springs Christian Preschool, we believe each child is a unique and cherished gift from the Lord. We take great joy in partnering with you in the educational and spiritual development of your child. As we journey together, it is our desire to provide a safe and loving environment in which your child can have a positive, Biblically based preschool learning experience.

Our preschool program combines many resources, including Bob Jones University, A Beka, and A Beka Bible to provide a superior foundation for the pre-kindergarten years. These curriculums are written for a five-day Christian weekday education. In addition, we also add phonics programs, math programs, vocabulary development, site word introduction, and early reading exposure (PK4). Our enrichment classes include a STEM program, two days of Spanish language instruction, and a daily Music and Movement class. We also have all school chapels and lots of great character development!

We realize that one of God's greatest blessings in life is a child. The Bible tells us,  
**"Train a child in the way he should go, and when he is old he will not turn from it." Proverbs 22:6**

I look forward to serving you and your family this school year.

In His Service and Yours,  
Crystal Jeffries
