

2018 Annual Campus Security Report

DeHart Technical School is strongly committed to the safety of its community and considers the personal safety of its students, employees and guests essential to the creation of an environment which is conducive to learning and personal enrichment. The following report is designed not only to meet the requirements set forth by government entities but also to provide the community with helpful reminders for the enhancement of personal safety throughout their everyday lives.

Campus Crime Statistics:

DeHart Technical School's Campus Crime Statistics (covering the previous two years) lists crimes reported to the School that occurred on campus, and on public property within or immediately adjacent to and accessible from the campus. The data follows at the end of this report.

Emergency Contact Information:

It is the responsibility of all faculty, staff and students to maintain current and accurate emergency contact information on file. This information is our source for warning systems and notification, and incomplete/ outdated records will impact our ability to connect with you or your family, if you are unable to.

Safety

DeHart Technical School strives to provide a safe and healthy school environment. In compliance with the Student Right-to-Know and Campus Security Act of 1990 and to ensure a safe, secure environment, the school has adopted the following procedures:

1. Students & staff should report all criminal acts or other emergencies occurring on campus to the Front Office, which is located in the lobby. Incidents may be reported by phone at (209) 523-4578 or in person. The Front Office will write an incident report and if necessary, distribute it to the proper agencies, including, but not limited to, local fire and police departments. The management staff, as well as other appropriate administrators, will be informed of the incident as well.
2. Only staff members are authorized to have keys to buildings; no students are to have access to campus facilities without staff supervision.
3. DeHart Technical School has the authority to enforce the campus Student Code of Conduct and Dress Code, and, according to the Education Code, is the liaison with local police departments in all cases of criminal actions. Any action which is a violation of the criminal code of the State must be reported to the local police.
4. Campus programs which inform students and employees about being responsible for their own security and the security of others include but are not limited to: All Staff or All school

emails and posted notices. The Student Code of Conduct and the State Penal Code prohibit the possession, use and sale of alcoholic beverages and illegal drugs on campus, except as specified in the Education Code. A copy of the DeHart Technical School annual on-campus crime report is available to all students, potential students and staff members upon request. You may request a copy from the office manager Monday –Friday from 8:00am-3:00 pm.

Domestic Violence, Dating Violence, Sexual Assault and Stalking:

DeHart Technical School is committed to promoting and maintaining a community in which staff, faculty and students work and learn in an environment free from all forms of harassment, exploitation, intimidation or violence. DeHart Technical regards all forms of or attempts at domestic violence, dating violence, sexual assault, stalking or related misconduct as serious offenses that may result in suspension, expulsion or termination of employment. DeHart Technical prohibits retaliation against an individual because that individual exercised their rights or responsibilities under Title IX of the Education Amendments or the Violence Against Women Reauthorization Act of 2013 (VAWA).

Reminders from campus security personnel:

- Do not leave valuable articles in open view in your office or work space; place them in a locked desk drawer or a sheltered location.
- If you work in a School office, get in the habit of closing and locking your office door each time you leave the office unattended.
- Be alert for strangers within the campus environment. If you see an unfamiliar face in the vicinity, proceed to your work/class area, then report the matter immediately.
- Park your car in well lit, designated parking areas, utilizing DeHart Plumbing, Heating and Air Inc. stalls whenever possible. Do not leave items in your car which are visible from the outside; rather, place the items in the locked trunk of your car, or under a car seat, if possible.
- Lock all car doors, and check them, before leaving your parked car. Keep your car key in your hand until you are in a well-lighted or heavily trafficked area. This will allow you to rapidly re-enter your vehicle, should you see a suspicious person in the area.
- At night, travel in well-lit areas. Travel on the most directly and highly traveled paths. Do not take shortcuts through dark or deserted areas.
- When you approach your car, have your keys ready. Look into the back and front seats to make sure the car is empty before you get in.
- You may want to invest in a mechanical locking device or electronic alarm system for your car. If you have such a device/ system, ensure that you use it each time you park your car.
- Have a plan of action in mind, should you be accosted. If you have an authorized antipersonnel protection device (e.g. mace or pepper spray) with you, ensure that it is readily accessible and ready for use.

- In case of a personal attack, scream as loudly as you can and run toward a more lighted or highly trafficked area. Do not voluntarily enter an assailant's automobile to go with an assailant to a more remote location.
- Try to note the size and physical characteristics of your assailant, as well as the color and make of car (if appropriate) and give the person to whom you are reporting the crime as much information as you can.
- If you are not able to report the crime immediately, jot down your recollections so that you can better recall the information when you do report the crime.
