Orange City, FL

Dear Dave Kippchen,

I purchased a fence for my front yard, which was installed today. I consider myself very demanding when purchasing anything from a company.

I want you to know that the quality of service I received from Dave's Fence was excellent. Ryan was very professional each time I ~~dealt~~ dealt with him. Mary was efficient and polite in scheduling and she kept me informed, down to the minute, when to expect your crew.

Nick and Bill were on time, courteous and worked four and a half hours non-stop. I am sure you are proud of these employees. If the quality of my fence is as good as your employees workmanship, my fence will last a long time.

Sincerely,
Fred L. Howze
