

Jan. 22, 2013

Dear Dave,

I'm very pleased with my aluminum fence. It not only adds to the over-all look of my property but provides security and privacy.

Ryan went over all aspects of the installation and Keith and Brian did a good job installing.

Everyone was very professional and had a friendly demeanor that speaks well of your company.

I found Dave's Fence to be a reputable company that takes pride in a job well done.

Sincerely

M. Mautten
