

Pest Control & Termite

### **Bed Bug Treatment Preparation Sheet**

- 1) All washable items such as clothing, bedding, etc. that is dirty must be put in the dryer on high heat cycle for 60 minutes, washed in hot water cycle, and put back in the dryer on high heat cycle for 60 minutes.  
All clean items such as clothing, bedding, etc. must be put in the dryer on high heat cycle for 60 minutes.  
Afterwards, put all clothing articles, bedding, etc. in trash bags and/or sealed containers and store in kitchen, bathrooms and/or laundry room.
- 2) All items must be removed from inside and on top of all furniture. e.g.- dressers, shelves, etc. Removed items can be place in bags/container and placed in kitchen, bathroom, and/or laundry room. Place all furniture in center of room for treatment.
- 3) Take all beds apart and place them in center of room with all other furniture so it can be treated as well. You will either need to dispose of your mattress and box spring or cover each with Bed Bug Covers.
- 4) Please try to maintain at least a 2-foot perimeter space from wall in every room and leave as much of the carpet exposed as possible so it may be properly treated.
- 5) All humans and pets must leave home and remain gone for 4-6 hours after treatment. If you have a fish aquarium in your home, it must be covered with a damp towel and the pump must be turned off, until you return to your home.
- 6) 24 Hours after treatment, vacuum daily and discard contents into an outside dumpster.

Several treatments may be necessary depending on each individual case. After the 1<sup>st</sup> initial treatment we will return to your home for a follow up service in 7-10 days. You will want to keep your home prepped until all treatments are complete.

Remember, the more area that can be treated, the more effective the treatment will be. Please make sure all personal items are picked up off the area to be treated to prevent pesticide from coming in contact with it, ESPECIALLY toys, pens, change, crayons, etc.

We will offer a 90 day retreatment guarantee from the initial date of cryonite service at no extra cost ONLY if all steps of preparations and procedures are followed accordingly along with the technician's recommendations. This guarantee does not apply to specific fabricated furniture. Chemscape, LLC does not warranty against bed bug re-infestation.

If you have any other questions regarding treatment of bed bugs, please feel free to contact our office and we will be happy to assist you.

Thank you.
