

LONGVIEW CAT BOARDING AGREEMENT 2015-2018

LONGVIEW BOARDING & GROOMING, LTD., a Michigan Corporation ("LONGVIEW"), agrees to provide services that regularly feed, water, and house "OWNER'S" pet(s) upon the following terms and conditions. LONGVIEW agrees to exercise due and reasonable care and keep the premises sanitary and properly enclosed. LONGVIEW will not be held liable for any self-inflicted, stress, or anxiety related issues that may arise with your pet. As animal conduct cannot be predicted, LONGVIEW cannot guarantee the safety or well-being of your pet. **With cats being boarded in the same general area, there is always a chance of injury and the possibility of infectious disease being passed between animals. The OWNER assumes all risk of injury or illness to your pet for the boarding period and within 3 weeks afterward (the incubation period for most illness.)** The OWNER is solely responsible for any and all acts or behavior of your pet and damages or claims caused by your pet while boarding at LONGVIEW and agree to hold LONGVIEW and its staff harmless therefrom. _____ **Initials**

OWNER agrees to pay the daily rate for boarding her/his pet(s) that is in effect on the date of entry to LONGVIEW. **LONGVIEW ONLY ACCEPTS CASH OR CHECKS, no credit cards or debit cards.** A \$30 fee is added to the charges for all NSF & all returned checks. No pet will be released until all daily charges and/or medical or other expenses are PAID IN FULL. **PAYMENT IS DUE, IN FULL, AT THE TIME OF PICK UP.** Other payment arrangements satisfactory to LONGVIEW may be made in advance of the stay. The OWNER of the pet(s) agrees to pay actual legal fees and costs incurred by LONGVIEW in the collection of outstanding bills.

LONGVIEW requires a **\$50 NON-REFUNDABLE DEPOSIT** be made in advance of a "holiday" reservation. "Holidays" are considered: New Year's Week, Mid-Winter Break, Easter/Spring Break, Memorial Weekend, 4th of July Week, Labor Day Weekend, Thanksgiving Week, & Christmas Week. **IF OWNER CANCELS THEIR RESEVATION WITHIN 2 WEEKS (14 DAYS) OF SAID INCOMING DATE, THEN OWNER FORFEITS THE \$50 DEPOSIT TO LONGVIEW.** LONGVIEW also reserves the right to charge for all days booked at any time of the year, including unused days. _____ **Initials**

No pet will be accepted without proof of current vaccinations. **ALL VACCINATIONS & VET VISITS MUST BE COMPLETED AT LEAST 14 DAYS PRIOR TO BOARDING AT LONGVIEW.** LONGVIEW reserves the right to refuse to board OWNER'S pet(s) if this policy is not followed. CATS: **FVRCP, FELINE LEUKEMIA & RABIES vaccines are required.** A YEARLY negative fecal exam is also recommended. **LONGVIEW also recommends that all pets be on a FLEA/TICK PREVENTION PROGRAM.** Flea collars are NOT considered a proper prevention program. All LONGVIEW buildings are kept flea free but if a pet is not on a flea/tick prevention program, the OWNER assumes all related risks. The OWNER guarantees that all pet(s) boarded are in good health and free from disease & fleas/ticks. _____ **Initials**

No Feline Leukemia Vaccine: I realize that my pet(s) DOES NOT have a current Feline Leukemia Vaccine and is at risk for Feline Leukemia. The Feline Leukemia Vaccine is the ONLY vaccine for cats that LONGVIEW will waiver, under certain circumstances, with the OWNER'S initials here. All cats should have been tested for Feline Leukemia in the past with your Vet. I will NOT hold LONGVIEW responsible if my pet(s) develops Feline Leukemia. _____ **Initials**

Should the OWNER'S pet (s) become ill or need medical attention, LONGVIEW reserves the right to administer aid and to render care by your local **DESINGNATED VETERINARIAN**, if available, or by an **EMERGENCY VET SERVICE**. The OWNER agrees to give an accurate emergency number to LONGVIEW for EVERY boarding stay. If LONGVIEW is unable to reach the OWNER at the emergency number(s) given, LONGVIEW reserves the right to have a veterinarian do everything in her/his power to save the life of the cat. **THE OWNER IS RESPONSIBLE FOR ALL MEDICAL EXPENSES INCURRED FOR THEIR PET(S).** Any and all expenses incurred, shall be paid on demand by the OWNER to LONGVIEW. _____ **Initials**

Pets will ONLY be released to the OWNER, unless the OWNER specifies another person to pick up their pet(s), upon the day of entry of boarding with LONGVIEW.

LONGVIEW charges are **DAILY (NOT 24 HOUR PERIODS)**. Check out time (with no charge for the pickup day, similar to hotel charges) is **10AM MON – SAT. Sunday is always charged as a full day rate. Sat to Sun boarding is a 2 day charge.** LONGVIEW office hours are subject to change, but are currently: Mon – Fri 8:30am to 5:30pm; Sat 9:00am to 4:00pm; Sun 4:00pm to 7:00pm. **The office is CLOSED ON ALL MAJOR HOLIDAYS.** The office has shortened hours on: Wednesdays in Jan & Oct, Christmas Eve & New Year’s Eve. There are NO drop offs or pickups allowed outside of current office hours. There is a \$50 fee if LONGVIEW agrees to reopen outside of current office hours and will only do this for a true emergency and if a worker agrees & is available.

Any pet(s) NOT picked up within 30 days of said pick up date, will be considered abandoned and will be considered property of LONGVIEW. LONGVIEW then has the right to do whatever they wish with the abandoned pet(s).

Upper Respiratory Infection: (URI) I understand URI is the cat equivalent to the human ‘common cold’ and although my cat(s) has been vaccinated against it (FVRCP), the vaccine does not fully protect my pet from all possible strains of the upper-respiratory disease. The incubation period can be anywhere from 3-10 days in which a cat shows no sign of the disease but is still contagious. This is usually when it is spread. I, the OWNER, understand that URI is an “airborne” virus that can be present anywhere, and can travel for long distances through the air. They can affect any cat, even one at home on the windowsill. Although LONGVIEW does it’s best to keep a spotless cat area and will remove/refuse any obviously sick cat; we can no more prevent the possibility of your cat contracting URI than your local school can prevent children from passing a cold or the flu. _____ **Initials**
