

LONGVIEW DOG BOARDING AGREEMENT 2015-2018

LONGVIEW BOARDING & GROOMING, LTD., a Michigan Corporation ("LONGVIEW"), agrees to provide services that regularly feed, water, and house "OWNER'S" pet(s) upon the following terms and conditions. LONGVIEW agrees to exercise due and reasonable care and keep the premises sanitary and properly enclosed. LONGVIEW will not be held liable for any self-inflicted, stress, or anxiety related issues that may arise with your pet. You, the OWNER, understand that LONGVIEW uses the "**Buddy System**", where we board more than one dog per run. The utmost care and attention is given to correctly match dogs. LONGVIEW'S services are provided without liability for loss or damage from disease or death, and from injury or damage done by your pet(s) to people, other pets or property, or other unavoidable causes. As animal conduct cannot be predicted, LONGVIEW cannot guarantee the safety or well-being of your pet. **With the interaction of dogs, there is always a chance of injury and the possibility of infectious disease being passed between animals. The OWNER assumes all risk of injury or illness to your pet(s) for the boarding period and within 3 weeks afterward (the incubation period for most illness.)** LONGVIEW does not accept known aggressive dogs for boarding. The OWNER is solely responsible for any and all acts or behavior of your pet(s) and damages or claims caused by your pet(s) while boarding at LONGVIEW and agree to hold LONGVIEW and its staff harmless therefrom. _____ **Initials**

OWNER agrees to pay the daily rate for boarding her/his pet(s) that is in effect on the date of entry to LONGVIEW. **LONGVIEW ONLY ACCEPTS CASH OR CHECKS, no credit cards or debit cards.** A \$30 fee is added to the charges for all NSF & all returned checks. No pet will be released until all daily charges and/or medical or other expenses are PAID IN FULL. **PAYMENT IS DUE, IN FULL, AT THE TIME OF PICK UP.** Other payment arrangements satisfactory to LONGVIEW may be made in advance of the stay. The OWNER of the pet(s) agrees to pay actual legal fees and costs incurred by LONGVIEW in the collection of outstanding bills.

LONGVIEW requires a **\$50 NON-REFUNDABLE DEPOSIT** be made in advance of a "holiday" reservation. "Holidays" are considered: New Year's Week, Mid-Winter Break, Easter/Spring Break, Memorial Weekend, 4th of July Week, Labor Day Weekend, Thanksgiving Week, & Christmas Week. **IF OWNER CANCELS THEIR RESEVATION WITHIN 2 WEEKS (14 DAYS) OF SAID INCOMING DATE, THEN OWNER FORFEITS THE \$50 DEPOSIT TO LONGVIEW.** LONGVIEW also reserves the right to charge for all days booked at any time of the year, including unused days. _____ **Initials**

No pet will be accepted without proof of current vaccinations. **ALL VACCINATIONS & VET VISITS MUST BE COMPLETED AT LEAST 14 DAYS PRIOR TO BOARDING AT LONGVIEW.** LONGVIEW reserves the right to refuse to board OWNER'S pet(s) if this policy is not followed. **DOGS: DHLPP, BORDETELLA & RABIES vaccines are required.** LONGVIEW recommends the Canine Influenza Vaccine. A YEARLY negative fecal exam is also recommended. **LONGVIEW also recommends that all pets be on a FLEA/TICK PREVENTION PROGRAM.** Flea collars are NOT considered a proper prevention program. All LONGVIEW buildings are kept flea free but if a pet is not on a flea/tick prevention program, the OWNER assumes all related risks. The OWNER guarantees that all pet(s) boarded are in good health and free from disease & fleas/ticks. _____ **Initials**

No Bordetella Vaccine: I realize that my pet(s) DOES NOT have a current Bordetella Vaccine and is at risk for Canine Cough. The Bordetella Vaccine is the ONLY vaccine that LONGVIEW will waiver, under certain circumstances, with the OWNER'S initials here. I will NOT hold LONGVIEW responsible if my pet(s) develops Canine Cough. _____ **Initials**

Should the OWNER'S pet become ill or need medical attention, LONGVIEW reserves the right to administer aid and to render care by your local **DESINGNATED VETERINARIAN**, if available, or by an **EMERGENCY VET SERVICE**. The OWNER agrees to give an accurate emergency number to LONGVIEW for EVERY boarding stay. If LONGVIEW is unable to reach the OWNER at the emergency number(s) given, LONGVIEW reserves the right to have a veterinarian do everything in her/his power to save the life of the dog. **THE OWNER IS RESPONSIBLE FOR ALL MEDICAL EXPENSES INCURRED FOR THEIR PET(S).** Any and all expenses incurred, shall be paid on demand by the OWNER to LONGVIEW. _____ **Initials**

Pets will ONLY be released to the OWNER, unless the OWNER specifies another person to pick up their pet(s), upon the day of entry of boarding with LONGVIEW.

LONGVIEW charges are **DAILY (NOT 24 HOUR PERIODS)**. Check out time (with no charge for the pickup day, similar to hotel charges) is **10AM MON – SAT. Sunday is always charged as a full day rate. Sat to Sun boarding is a 2 day charge.** LONGVIEW office hours are subject to change, but are currently: Mon – Fri 8:30am to 5:30pm; Sat 9:00am to 4:00pm; Sun 4:00pm to 7:00pm. **The office is CLOSED ON ALL MAJOR HOLIDAYS.** The office has shortened hours on: Wednesdays in Jan & Oct, Christmas Eve & New Year’s Eve. There are NO drop offs or pickups allowed outside of current office hours. There is a \$50 fee if LONGVIEW agrees to reopen outside of current office hours and will only do this for a true emergency and if a worker agrees & is available.

Any pet(s) NOT picked up within 30 days of said pick up date, will be considered abandoned and will be considered property of LONGVIEW. LONGVIEW then has the right to do whatever they wish with the abandoned pet(s).

_____ **Initials**

CANINE COUGH: (Infectious Tracheobronchitis) I, the OWNER, understand that canine cough is the dog equivalent to the human “common cold” and although my dog(s) has been vaccinated against it, the vaccine does NOT fully protect my pet(s) from **ALL POSSIBLE STRAINS OF THIS UPPER RESPIRATORY DISEASE.** The incubation period can be anywhere from 3-10 days in which a dog shows no signs of the illness but is still contagious. This is usually when it is spread. I, the OWNER, understand that canine cough is an “airborne” virus that can be present anywhere (the park, the street where I walk my dog(s), the vet’s office, my own backyard). Although LONGVIEW does it’s best to keep a spotless kennel and will remove/refuse any obviously sick dog: we can no more prevent the possibility of your dog(s) contracting canine cough then your local school can prevent a child from passing a cold or the flu. _____ **Initials**

CANINE INFLUENZA: CI is a newly emerging infectious disease caused by a “flu” virus and all dogs have **NO NATURAL IMMUNITY** to it. Although the disease is usually mild, it can be quite serious in some dogs and is HIGHLY contagious. Dogs that come into contact with other dogs in social settings (i.e. vet waiting rooms, dog parks, pet care facilities, dog events) are at HIGHER RISK. Vaccination helps protect your dog from complications due to canine influenza.
